

# City of Riverside's *Citizens' Congress*

## IT'S TIME FOR IMPORTANT DECISIONS!

- People want to move to Riverside. What different **housing** options should we consider? What are the best locations for new housing?
- Where do we need new **libraries, community centers, parks, and youth activities**? How do we pay for these?
- What **transportation** improvements are needed citywide? What keeps you from riding a bike, taking a bus, or walking to your destination?
- What kinds of **jobs** do we need in Riverside to help reduce the need for long commutes out of town?
- What types of **development** will enhance and **revitalize** underutilized properties throughout the city. Should efforts be focused on particular **streets** or **neighborhoods**?

### HELP US DECIDE OUR FUTURE!

*Come to the*

#### Citizens' Congress

an interactive **open house** where we will ask for your opinion on important issues

- September 13, 2003
- California Baptist University  
8432 Magnolia Avenue
